4/2 b5 4/2 b5

This block contains the first system of the musical score. It features four staves: Violino I, Violino II, Tiorba o violoncello, and Organo. The music is in a 4/2 time signature with a key signature of one flat (B-flat). The tempo is marked 'Grave'. The score shows the first four measures of the piece. The Violino I and II parts have a melodic line with a fermata over the second measure. The Tiorba o violoncello and Organo parts provide a harmonic accompaniment with a bass line. The copyright notice '© Thomas D. Dunn, 2017' is located below the first staff. The time signature '4/2' and the key signature 'b5' are indicated at the bottom of the system.

This block contains the second system of the musical score. It features four staves: VI. I, VI. II, Tba. o vc., and Org. The music continues from the first system. The VI. I part has a melodic line with a fermata over the second measure. The VI. II part has a melodic line with a fermata over the second measure. The Tba. o vc. and Org. parts provide a harmonic accompaniment with a bass line. The time signature '4/2' and the key signature 'b5' are indicated at the bottom of the system.

The image displays a musical score for measures 50 through 61 of a piece by P. Albergati. The score is arranged in three systems, each containing four staves: Violin I (VI. I), Violin II (VI. II), Trombone or Viola (Tba. o vc.), and Organ (Org.).

- System 1 (Measures 50-53):** Measures 50-53. The key signature has one flat (B-flat). The organ part includes figured bass notation: 7, #, 7, 4, [#] 3.
- System 2 (Measures 54-57):** Measures 54-57. The key signature has one flat. The organ part includes figured bass notation: 7, 7, 4, 3.
- System 3 (Measures 58-61):** Measures 58-61. The tempo marking **Allegro** is present. The time signature changes to 3/4. The organ part includes figured bass notation: 4, 3.

The image displays a musical score for measures 64 through 76 of a piece by P. Albergati. The score is arranged in three systems, each containing four staves: Violin I (VI. I), Violin II (VI. II), Trombone or Viola (Tba. o vc.), and Organ (Org.).

- System 1 (Measures 64-69):** The key signature has one flat (B-flat). The Violin parts feature melodic lines with slurs and accents. The Trombone/ Viola part has a dashed slur over measures 65-66. The Organ part provides a harmonic accompaniment with a '7' figured bass under measure 69.
- System 2 (Measures 70-75):** The dynamics are marked *p* (piano). The Violin parts continue with melodic development. The Trombone/ Viola part has a dashed slur over measures 71-72. The Organ part has figured bass notation: '7', '6', '6', 'p', '6'.
- System 3 (Measures 76-81):** The dynamics are marked *f* (forte). The Violin parts feature more active melodic lines. The Trombone/ Viola part has a dashed slur over measures 77-78. The Organ part has a '6' figured bass under measure 76.

The image displays a musical score for measures 82 through 90 of a sonata by P. Albergati. The score is arranged in three systems, each containing four staves: Violin I (VI. I), Violin II (VI. II), Trombone or Viola (Tba. o vc.), and Organ (Org.).

Measure 82: The first system begins at measure 82. The Violin parts play a melodic line with a slur over the first two notes. The Trombone/ Viola and Organ parts provide a harmonic accompaniment. The dynamic marking *p* (piano) is present in all parts.

Measure 86: The second system begins at measure 86. The Violin parts play a melodic line with a slur over the first two notes. The Trombone/ Viola and Organ parts provide a harmonic accompaniment. The dynamic marking *f* (forte) is present in all parts. The Organ part includes a fingering of 6.

Measure 90: The third system begins at measure 90. The Violin parts play a melodic line with a slur over the first two notes. The Trombone/ Viola and Organ parts provide a harmonic accompaniment. The dynamic marking *f* (forte) is present in all parts. The Organ part includes a fingering of 6.

Detailed description: This system of musical notation covers measures 105 to 108. It features four staves: Violin I (VI. I), Violin II (VI. II), Trombone or Violoncello (Tba. o vc.), and Organ (Org.). The key signature is one flat (B-flat). Measures 105 and 106 show melodic lines in the violins and a bass line with a dotted half note. Measure 107 features a dotted half note in the violin I part, a dashed slur over the violin II and Tba. o vc. parts, and a dotted half note in the organ part. Measure 108 concludes with a dotted half note in the violin I part, a dotted half note in the violin II part, and a dotted half note in the organ part. Fingerings 7, 6, and 6/5 are indicated below the organ staff.

Detailed description: This system of musical notation covers measures 109 to 112. It features the same four staves as the previous system. Measures 109 and 110 show melodic lines in the violins and a bass line with a dotted half note. Measures 111 and 112 conclude with a dotted half note in the violin I part, a dotted half note in the violin II part, and a dotted half note in the organ part.

EDITORIAL REPORT

Source

Suonate a due violini col suo basso continuo per l'organo, et un'altro à beneplacito per tiorba ò violoncello. Del conte Pirro Albergati. Opera seconda. In Bologna per Giacomo Monti. 1683.

4 partbooks: Violino Primo, Violino Secondo, Tiorba ò Violoncello, Organo.

GB-Ob (compl.), *I-Bc* (compl.).

RISM A/I A 603, Sartori I-II 1683c.

The complete exemplar of Albergati's *Suonate* now in the Museo internazionale e biblioteca della musica di Bologna is the primary source for this edition.

Editorial Remarks

Although the works in Opus 2 are simply called *suonate* they may be considered *suonate da chiesa* due to the specification of *Organo* as one of the continuo instruments. The *Tiorba ó Violoncello* partbook appears to be the same as that for the organ. The continuo figures would be useful for the theorbo player.

Performance Notes (Thomas D. Dunn and Jeffrey Kurtzman)

In contrast with the instrumental repertoire from the early seventeenth century, works from the latter part of the century have a greater abundance of tempo markings for sections in different meters and styles. Albergati uses five tempo indications in these pieces: Grave, Adagio, Lento, Allegro, and Presto. The distinctions between the first three could stem from subtle differences in melodic materials.

Continuo figures in later seventeenth century works are much more plentiful than in works from earlier decades; Albergati, however, is somewhat inconsistent in his instructions to the continuo player(s). In some sections of the Opus 2 sonatas there is almost an overabundance of figures, but in other places important figures are missing and must be supplied from the context.¹

Figures in the continuo are most often indicators of the harmony to be played; however, especially at cadences, a figure may simply indicate the movement of an upper part for the information of the accompanist (who would be playing from a single part-book without visual

¹ Sources regarding continuo practice in Albergati's sonatas that performers may wish to consult are Francesco Gasparini, *L'armonico pratico al cimbalo* of 1708 and Johann David Heinichen, *Der Generalbass in der Composition*, 1728. Gasparini's treatise is available in an English translation by Frank S. Stillings *The Practical Harmonist at the Harpsichord* (New Haven: Yale School of Music, 1963); a detailed study in English of Heinichen's treatise is George J. Buelow, *Thorough-Bass Accompaniment according to Johann David Heinichen* (Berkeley and Los Angeles, 1966). Significant excerpts from both treatises are found in F.T. Arnold, *The Art of Accompaniment from a Thorough-Bass*, vol. 1 (New York: Dover Publications, 1965). Very useful for both theorbists and keyboard players is Nigel North, *Continuo Playing on the Lute, Archlute, and Theorbo* (Bloomington: Indiana University Press, 1987). See also, especially for general stylistic and aesthetic considerations, Peter Croton, *Performing baroque music on the lute and theorbo* (California: San Bernardino, 2017), 195-211.

reference to the other parts). Cadences will quite regularly involve $\frac{5}{4}$ -3 and 4-3 suspensions; the resolution of all forms of 4-3 suspensions is better left to the upper part and not doubled by the continuo. 7-6 suspensions typically result from the movement of the bass under a sustained note in an upper voice and should not include the fifth in the harmony. In minor mode pieces, Albergati often omits figures indicating the major mode at final cadences. Gasparini instructs that the resolved third of a cadence is always major. This rule would have applied not only to final cadences, but most cadences delineating distinct sections of a composition, and even to interior cadences, depending on the context and how the parts continue. In fact, Albergati clearly assumes that interior cadences in minor tonalities will be major, since those interior cadences he specifically wants to be minor, he indicates with the necessary continuo figuration.

The violin parts in these sonatas often move in ranges well above the basso continuo, and the filling out of the harmony should fall in between these extremes. The continuo may double the octave and fifth of its harmony, but not the third or dissonances and should not duplicate the melody of the violins unless explicitly indicated by the notation. Gasparini recommends playing as many consonances as possible, which may include doubling the principal harmonic notes of the upper parts, but how many consonances will depend on the judgment of the continuo player and the register of the violins. In those passages where the continuo bass is in the upper part of the bass clef and one or both of the violins are in a low register, the continuo should still not rise above the soloist if at all possible.

In rapidly moving basses, it is not appropriate to change harmonies on every note, but rather according to the larger harmonic rhythm. Bass notes on the third and leading tone of the tonality are harmonized by first inversion triads, as are bass notes raised by an accidental sharp. In the organ the rule against consecutive fifths and octaves need not be strictly observed when the accompaniment doubles consonances in the left hand, since they can be considered the crossing of inner parts. The theorbist may need to re-strike sustained harmonies rather than let the sound die away altogether.

In the present sonata, Albergati turns the continuo instruments into melody instruments in measures 30-35, first in antiphonal dialogue with the violins and subsequently in a passage in which the violins fill out the harmony above the bass instruments. In mm. 30-32, the violins respond to the continuo in parallel thirds; here the continuo instruments could also add parallel thirds to their written notes. In mm. 33-35, the harmonization in the violins does not mean that the continuo instruments couldn't also add harmony of their own. The bass instruments similarly become the melody instruments in mm. 96-100, where they could certainly add their own harmony notes in the same harmonic rhythm as the violins.

CRITICAL NOTES

Violino Primo (Vl. I), pp. 4-5; Violino Secondo (Vl. II), pp. 4-5; Tiorba o violoncello (Tba. o vc.), pp. 4-5; Organo (Org.), pp. 4-5.

Mm. 2-3, fermata over rest in m. 3 in Vl. I, Tba. o vc., Org.; fermata over m. 2 in Vl. II.

M. 14, Org., figures over beats 3 and 4 are 3 over 9 over 4 and 4 over 8 over 3.

M. 17, VI. II: n. 3 is e'' in source.

M. 18, Tba. o vc., Org. n. 2 has figure $\frac{6}{4}$ in source.

M. 19, VI. I: fermata is over barline at end of measure; VI. II: fermata is under note; no fermata in Tba. o vc. and Org.

M. 62, VI. I: slur is (misplaced) over n. 2.

M. 66, VI. I, slur is over nn. 2-3.

M. 95, VI. I, n. 6 is e'' in source.
