

## Quinta sonata

**Adagio**

**Pirro Albergati**

Edited by Thomas D. Dunn

Musical score for the first section of the Quinta sonata, featuring four staves: Violino I, Violino II, Violoncello, and Cimbalo. The key signature is one sharp (F# major). The time signature starts at 3/2. The score consists of two measures of music. The violins play eighth-note patterns, the cello plays eighth notes with a sustained note, and the cimbalo provides harmonic support. Measure 1 ends with a repeat sign and a bassoon entry. Measure 2 continues with the same instruments and patterns.

Musical score for the second section of the Quinta sonata, featuring four staves: Vl. I, Vl. II, Vc., and Cimb. The key signature changes to one flat (D major). The time signature changes to 5/4. The score consists of two measures of music. The violins play eighth-note patterns, the cello provides harmonic support, and the cimbalo provides rhythmic patterns. Measure 1 ends with a repeat sign and a bassoon entry. Measure 2 continues with the same instruments and patterns.

91

This musical score consists of four staves: Violin I (Vl. I), Violin II (Vl. II), Cello (Vc.), and Cimbalo (Cimb.). The key signature is one flat, and the time signature varies between common time and 6/8.

**Measure 91:** Vl. I: eighth note followed by sixteenth-note pairs. Vl. II: eighth notes. Vc.: eighth notes. Cimb.: eighth notes. Measure numbers 7, 6, 7, [h]6, 7 are written below the staff.

**Measure 94:** Vl. I: eighth notes. Vl. II: eighth notes. Vc.: eighth notes. Cimb.: eighth notes.

**Measure 97:** Vl. I: eighth notes. Vl. II: eighth notes. Vc.: eighth notes. Cimb.: eighth notes. Measure numbers 4, 5, 6, 4, 5, 6, 4, 5, 6, 4, 5, 7 are written below the staff.

101

This section contains four staves: Vl. I, Vl. II, Vc., and Cimb. The Cimb. staff includes a basso continuo realization below the main notes. Measure 101 starts with Vl. I on a sustained note. Measures 102-103 show rhythmic patterns with sixteenth-note figures. Measure 104 begins with a forte dynamic. Measure 105 concludes with a melodic line in Vl. I.

105

This section continues the four-staff arrangement. Measures 106-107 show eighth-note patterns. Measure 108 begins with a forte dynamic. Measure 109 concludes with a melodic line in Vl. I.

109

This section continues the four-staff arrangement. Measures 110-111 show eighth-note patterns. Measure 112 begins with a forte dynamic. Measure 113 concludes with a melodic line in Vl. I.

## EDITORIAL REPORT

### Sources

*Pletro armonico composto di dieci sonate da camera à due violini, e basso con violoncello obligato. Opera quinta del conte Pirro Albergati. In Bologna per Giacomo Monti.* 1687.

4 partbooks: Violino Primo, Violino Secondo, Violoncello, Cimbalo.

*D-Mbs, GB-Lbl, I-Bc, I-Bsp, I-MOe* (Ms: Mus. F. 7 (1-4)).

RISM A/I A606, Sartori I-II 1687b.

The copy of the complete print of the *Pletro Armonico* in *I-Bc* and the manuscript copy in *I-MOe* were used for this edition. They are cited in the Critical Notes as "Print" and "MS" respectively.

The copies in *I-Bc* and *D-Mbs*<sup>1</sup> are available online at:

### Editorial Remarks

In contrast with Opus 2, the sonatas in Opus 5 are specified as being *da camera*. This is supported by the specification of *Cimbalo* rather than *Organo* as the continuo instrument, and, also in contrast with Opus 2, the violoncello and cimbalo partbooks for Opus 5 are not identical. There are no figures in the former and the instrument sometimes remains silent when the continuo is purely accompanimental. Thus it forms something of a string trio with the two violins.

### Performance Notes (Thomas D. Dunn and Jeffrey Kurtzman)

The sonatas of Opus 5 employ a greater number of tempo indications than those in Opus 2. The indications "Adagio, e spicco" and "Largo, e spicco" – "spicco" meaning "detached" or "cut short" – preface some of the most striking and unusual passages in the collection, passages in which quarter notes are separated by dramatic silences. In the ninth and tenth sonatas fermatas also serve to emphasize and articulate important rhetorical points. The use of this sign at the end of each piece may have originally indicated an extended silence before the next piece of music.

In Opus 5 Albergati, or his printer, employs double dots before and after double bars, which in modern notation indicates forward and backward repeats. This could also apply to this music as well if one follows Lorenzo Penna's description of the sign: "Il Ritornello fà da capo à cantare di nuovo, ò al (repeat sign) antecedente."<sup>2</sup>

Continuo figures in later seventeenth century works are much more plentiful than in works from earlier decades; Albergati, however, is somewhat inconsistent in his instructions to the continuo player(s). In some sections of the Opus 5 sonatas there is almost an overabundance of figures, but in other places important figures are missing and must be supplied from the context.<sup>3</sup>

<sup>1</sup> Incomplete manuscript copy, written by Fr. X. Haberl and dated February 3, 1864.

<sup>2</sup> Lorenzo Penna, *Li primi albori musicali* (Bologna: Giacomo Monti, 1679), 30-1.

<sup>3</sup> Sources regarding continuo practice in Albergati's sonatas that performers may wish to consult are Francesco Gasparini, *L'armonico pratico al cimbalo* of 1708 and Johann David Heinichen, *Der Generalbass in der Composition*,

Figures in the continuo are most often indicators of the harmony to be played; however, especially at cadences, a figure may simply indicate the movement of an upper part for the information of the accompanist (who would be playing from a single part-book without visual reference to the other parts). Cadences will quite regularly involve  $\frac{5}{4}$ -3 and 4-3 suspensions; the resolution of all forms of 4-3 suspensions is better left to the upper part and not doubled by the continuo. 7-6 suspensions typically result from the movement of the bass under a sustained note in an upper voice and should not include the fifth in the harmony. In minor mode pieces, Albergati often omits figures indicating the major mode at final cadences. Gasparini instructs that the resolved third of a cadence is always major. This rule would have applied not only to final cadences, but most cadences delineating distinct sections of a composition, and even to interior cadences, depending on the context and how the parts continue. In fact, Albergati clearly assumes that interior cadences in minor tonalities will be major, since those interior cadences he specifically wants to be minor, he indicates with the necessary continuo figuration.

The violin parts in these sonatas often move in ranges well above the basso continuo, and the filling out of the harmony should fall in between these extremes. The continuo may double the octave and fifth of its harmony, but not the third or dissonances and should not duplicate the melody of the violins unless explicitly indicated by the notation. Gasparini recommends playing as many consonances as possible, which may include doubling the principal harmonic notes of the upper parts, but how many consonances will depend on the judgment of the continuo player and the register of the violins. In those passages where the continuo bass is in the upper part of the bass clef and one or both of the violins are in a low register, the continuo should still not rise above the soloist if at all possible.

In rapidly moving basses, it is not appropriate to change harmonies on every note, but rather according to the larger harmonic rhythm. Bass notes on the third and leading tone of the tonality are harmonized by first inversion triads, as are bass notes raised by an accidental sharp. In the organ the rule against consecutive fifths and octaves need not be strictly observed when the accompaniment doubles consonances in the left hand, since they can be considered the crossing of inner parts.

In this sonata, the *Allegro* from m. 73 to the end features a large quantity of 7-6 suspensions in series (anticipated in the opening *Adagio* in mm. 4-5). The 7th is typically suspended by movement of the bass and the bass delays its doubling at a lower octave of the soloist's resolution by an eighth note, setting up the next suspension. In these suspensions, the continuo should not double the violin's resolution in an inner part. By analogy, in the first *Allegro*

---

1728. Gasparini's treatise is available in an English translation by Frank S. Stillings *The Practical Harmonist at the Harpsichord* (New Haven: Yale School of Music, 1963); a detailed study in English of Heinichen's treatise is George J. Buelow, *Thorough-Bass Accompaniment according to Johann David Heinichen* (Berkeley and Los Angeles, 1966). Significant excerpts from both treatises are found in F.T. Arnold, *The Art of Accompaniment from a Thorough-Bass*, vol. 1 (New York: Dover Publications, 1965). Very useful for both theorists and keyboard players is Nigel North, *Continuo Playing on the Lute, Archlute, and Theorbo* (Bloomington: Indiana University Press, 1987). See also, especially for general stylistic and aesthetic considerations, Peter Croton, *Performing baroque music on the lute and theorbo* (California: San Bernardino, 2017), 195-211.

(mm. 19-63), the continuo, with its 5-6 figures, delays the movement of the bass until after the violin part has already played the 6th. As with the 7-6 suspensions of the second *Allegro*, the violin's movement to the 6th should not be duplicated in the continuo realization in anticipation of the continuo's bass motion.

## CRITICAL NOTES

Print: Violino Primo (Vl. I), p.10; Violino Secondo (Vl. II), p. 10; Violoncello (Vc.), p.10;  
Cimbalo (Cimb.), p. 10.

MS: Violino Primo (Vl. I), p.5 :Violino Secondo (Vl. II), p.6 ; Violoncello (Vc.), p. 6; Cimbalo  
(Cimb.), p. 6.

Mm. 19, 23, 33, Cimb.: figure 4 over 2 is on beat 2.

Mm. 29-30, MS Cimb.: no figures on note 5 of m. 29 and note 1 of m. 30.

Mm. 56-57, Print: Vl. I, barline is before n. 4 of m. 56.

M. 59, Cimb., quarter note rest on beat 2 is missing in both sources.

M. 87, MS: Cimb., no figure over note 3.

M. 100, MS: Vl. I, note 5 is b-flat.

M. 103, MS: Vc., note 4 is D.
