EDITORIAL REPORT

Sonate di violino a voce sola Di Gio. Antonio Leoni Libro primo Opera terza. In Roma Apresso Vitale Mascardi. M.DC.LII.

2 partbooks: Violino, [Basso continuo].

PL-WRu, I-N

RISM A/I L 1987, Sartori I-II 1652b

The exemplar in Wrocław was used for the source in this edition. The title page of the continuo partbook is missing in this source.

Editorial Remarks

Barring is very inconsistent in source. For instance, note 1 of measure 23 through note 1 of measure 26 comprise a single measure.

Performance notes

No tempo indications are provided in the source. The opening section (measures 1–29) could be played at a moderate, “walking” tempo.

Although an editorial sharp has been put in the continuo part on beat 3 of measure 1, the opening sonority could also have a g-sharp.

The transition from C major in measure 18 to the B of measure 20 is very abrupt. The final continuo note of measure 18 could be sharpened and note 2 of the violin part in measure 19 could also be sharpened.
